**RE: Application for Edmonton Community Foundation Grant**

Dear Colleagues,

It is with great pleasure that we confirm our support of the new Aquarium project in Edmonton. We are delighted to hear that this project is being considered for funding by the Edmonton Community Foundation, and see this as an excellent initiative.

Through our Blue Sky Award, we developed some conceptual ideas as to how this aquarium could transform Edmonton's former Exhibition Lands, and we are excited to see this project move forward towards realization.

We are keen to see this project come to life, and look forward to the opportunity to continue our collaboration with this group, through the next years of planning, design and construction and operation of this facility.

Please feel free to contact me with any questions.

Warm regards,

Manasc Isaac Architects
